- JavaScript ES6, React, JQuery
- HTML5, CSS, SASS, LESS
- Basic security clearance

More about me

In addition to making dozens of successful websites, I've advised major charities and trade groups on digital strategy, appeared on BBC radio a few times, rebranded a PLC, content audited an exemplar GDS service, been a *fearsome* cake judge at baking competitions and was a semi-pro gamer... unfortunately, before that sort of thing was cool.

For more information, take a look at my website:
